COMMITTEE OF THE WHOLE

- a) Procedural Discussions – Thayer explained the purpose of this meeting is for discussion purposes only and no action will be taken. He would like to hold more in the future because there are some issues he would like guidance from a big picture point of view. One example would be water rates and its structures. Before tackling the issue and come up with a solution, he would like to have discussions with Council.

The discussion for this meeting was operating procedures of Council and things the Council would like to receive in their Council packet.

ADJOURNMENT

Commenator moved to adjourn at 11:17 p.m. Marcell seconded. All in favor; motion carried.

Rachel Andreski, City Clerk
