OLD BUSINESS

City Hall Cost Analysis

Richardson gave a very detailed presentation with a handout of the Engineering Report. There was discussion on the costly repairs of the elevator that will be mandated by 2028 to be brought up to code and could be down for approximately 11 weeks. He also said at minimum our doors, windows, bathrooms, lighting, heating, cooling, and attic beam need to be considered in the 0–5-year plan of updating if we were to stay in the City Hall. Garcia would like to put out a public survey and include the radio and newspaper to the public with their input on whether to renovate or perhaps find a new location for city staff. Dood stated he would like to have a Public Hearing and provide cost analysis to the public. Dood moved with support from Leonoff to have a Public Hearing before the regular City Council Meeting on May 15th. All were in favor. Motion carried. Absent: Powell.

NEW BUSINESS

Iron County Road Millage Renewal

Andreski gave an update on the Road Commission seeking road millage. Leonoff moved with support from Garcia to accept the proposal. Roll call: Ayes – 5: Powell, Clements, Garcia, Leonoff and Dood. Nays – 0. Motion carries. Absent: None.

COUNCIL MEMBER COMMENTS

Garcia noted that we need to get information to the public.
